Summary

As a life observer majoring in anthropology, I like to explore the details behind its design and its connection with society. I attach great importance to design aesthetics and context, combined with people-oriented thinking to face various challenges flexibly without limitation.

I am committed to learning and self-development. I also possess a responsible personality and enjoy flexible work arrangements. Co-workers often praised me for being trustworthy and organized.

Skill Highlights

- Figma
- JavaScript / jQuery
- HTML5 / CSS3
- Adobe Photoshop
